Collective Worship Welcome

Light Candles and say together:

“We light these candles to remind us of God the Father, God the Son and God the Holy Spirit.”

We then say our welcome words (with actions):

**We are gathered together,
In the name of the Father, Son and Holy Spirit,
To worship, and to think about our value
..... (insert termly value here)**

**"Let us run the race before us
and never give up"**
