Weekly Collective Worship is as follows:

Monday	Tuesday	Wednesday	Thursday	Friday
Whole school worship	Singing Assembly	Class Worship – Picture News	Whole school worship	Celebration Assembly

- ❖ Each term we explore a value which feeds into our vision of “Let us run the race before us and never give up”. These are taken from the teachings of The Bible.
- ❖ The value is introduced in a whole school worship at the beginning of a new term, key questions are then explored throughout the term. These become the focus of the whole school and class worship sessions.
- ❖ Every assembly contains as a minimum a welcome prayer, a candle, an exploration of the theme, a reflection and a prayer.
- ❖ Each classroom contains an area where pupils are supported / encouraged to reflect on the theme in ways appropriate to their understanding.
- ❖ Pupils have shown a deep understanding of the values as time has progressed and we look forward to them developing this further as they travel through school.
